BEERY NEWS

Free Christmas Beer Tasting

Twelve Beers of Christmas

To celebrate Christmas with our customers, we're holding a free beer tasting session on Saturday 12th December when we'll be launching the brewery's Twelve Beers of Christmas promotion. On the lead up to Christmas, each day from 12th to 23rd of December we'll be highlighting a different Brentwood Beer which will have a special offer for that day only, like a free gift or discount. Offers are available from the Brewery Shop.

We Ho, Ho Hope you can join us on Saturday 12th December between 10.30am to 3.30pm to sample some fabulous, festive Brentwood Beer for free. We have lots of Christmas goodies to tempt you with too including some limited edition, special beers which make perfect stocking fillers for beer fans, as well as mustard, chutney and Christmas Puddings containing our beer.

Keep a look out on the Brewery Blog on the website, Twitter or Facebook for more details on our Twelve Beers of Christmas promotion.

Pub of the Month

The Forrester's Arms, High Ongar

Hope and Glory 4.5% ABV teams up brilliantly with one of chef Peter Goodwin's gourmet cheeseburgers.

As preparations for Christmas ramp up, our choice for December Pub of the Month is a place you can enjoy a festive lunchtime menu with friends. Equally, you could treat yourself, escape to this off the beaten track hostelry, avoid more gift shopping and opt for a thirst quenching pint of Brentwood Beer and a gourmet burger and chips instead.

Landlord Keith Morgan says its location may be rural but people make a point of finding the pub because it is a traditional, community local serving good real ale and food. It has four cask ales on including Brentwood Beer. Please see the Brewery Blog for more details.

Win Brewery Tour for Two

Throughout December, buy a pint of Brentwood Beer in a participating local pub and enter a free prize draw to win a Brewery Tour for two people.

And finally ...

As accolades go, this is a big one. We're delighted to announce that *Lumberjack 5.2% ABV* is recommended by the Beer for That campaign by Britain's Beer Alliance as the beer most suited to complement the flavour of the festive Brussels

Sprouts on your Christmas dinner plate. One thing though. Please remember to eat Brussels Sprouts responsibly.
