# BEERY NEWS

## Pub of The Month

The brewery's Pub of the Month is The White Horse at Coxtie Green.

Following our collaboration with Britain's Beer Alliance to match Brentwood Beers with popular dishes from around the world, we'll be showcasing a different local pub, highlighting menus and suggesting beer matches that combine complementary flavours.

Why not visit The White Horse and enjoy a pint of *Brentwood Gold* with Fish and Chips. Or try *Hope & Glory* with Bangers and Mash.

The White Horse, our brewery tap, is a 'nice, country pub' with a warm welcome and traditional, home-cooked menu. Find out more on our website:

## FREE GLASS OFFER

Buy two Brentwood Beer gift packs in November (£12 each for 4 bottles)  
and get a free Brentwood glass (worth £3)

## Agincourt 600

The two Phils - Bayfield and Peberdy - and team of 16 additional 'knights' are pleased to report they completed their 155 mile charity trip. Cycling from Harfleur across northern France to Azincourt. The group covered the same route as marched by King Henry V's Army. The cyclists arrived in time for the 600th anniversary and joined hundreds of French and English visitors at a ceremony commemorating The Battle of Agincourt. Donations from the sale of *Agincourt* beer, brewed for the occasion, will go to First Step. So far, fundraising by the group has reached more than £1200 for the Hornchurch based charity.

## Wildlife Windfall

Roland presented a brewery cheque for £300 to Fiona Hearn of Essex Wildlife Trust. The donation, from sales of Brentwood Beer at celebrations marking the opening of the trust's new visitor centre in Hornchurch, will help towards wildlife conservation in Essex. The organisation has 87 nature reserves, two nature parks and nine visitor centres.
